THIS IS YOUR SHIPPING COST GUIDE FOR LINERS (2¼" & 3" Pots)

By checking this guide along with the catalog prices, you can figure approximately how much a liner will cost laid down in your area. These rates are the most that you would have to pay; in some cities the rates are lower than in the state in which the city is located.

For example, the laid down price for *Berberis thun. atropurpurea* to any area in Michigan would be 18c for each 2¼" pot size size plant. The laid down price for *Viburnum burkwoodi* to any area in Texas would be 22c for each 2¼" pot size plant and 39c for each 3" pot size plant.

(These rates apply only to stock shipped by public carrier. [Railway express or Motor Freight.] If your orders are being delivered by our truck, please disregard this information.)

WELCOME TO OUR NURSERY

☛ Telephone or just drop us a note and we will meet you at the terminal and be pleased to assist you in obtaining accommodations. We want you to visit us.

DELIVERY

☛ Free delivery in the Los Angeles Metropolitan area, San Diego, Santa Barbara, Bakersfield and Palm Springs. We do not pay transportation charges on shipments not covered by our free delivery service. To more distant points we will use the safest and least expensive method unless specific instructions are given.

NON-WARRANTY

☛ The Monrovia Nursery Company gives no warranty, expressed or implied, as to the variety or productivity of any nursery stock it sells. Liability in all instances is limited to the purchase price. No liability is assumed by seller for delay or failure to deliver caused by wars, strikes, fires, floods, droughts, embargoes or any other contingencies beyond seller's control. If the purchaser does not accept the goods on these terms, they are to be returned.

TERMS

☛ While our regular terms are cash, we will be pleased to make credit arrangements with established concerns. Open accounts are payable on or before the 10th of the month following date of delivery. Overdue accounts are subject to interest charge at a legal rate. No discount will be allowed as it is our policy to maintain attractive prices consistent with high quality stock. The issuance of this catalog automatically cancels all previous quotations. It is understood that all orders accepted are subject to availability of stock at the time of delivery.

PINTO TAG

☛ We take great pride in being a "Pinto Tag" Nursery enabling us to ship into other California Counties without requiring any further inspection.

PLEASE REMEMBER

☛ We deeply appreciate your patronage, and shall endeavor to always say "thank you" by the careful manner in which we will service your every order . . . large or small.
